

ROWLAND HASSALL MATTERS

ROWLAND HASSALL SCHOOL

Principal's Message

Once again I start the final newsletter of the term with some cliché about how quickly Term 2 has gone, but these ten weeks have passed by at an accelerated pace. *Tempus Fugit*. That's one of the few things I know in Latin and it means "time flies." That's especially true when you're having fun.

I would really like to acknowledge the sensational effort of our students this term. Our Student Representative (SRC) team held some great acknowledgment and fundraising days to support our school this term, which the students really enjoyed. It is wonderful to see the engagement and enjoyment from our students.

Diary Dates:

Week 10

Go Karts Wednesday 3rd July

NRL Footy Camp Dragons V Storm—Thursday

4th July

Please check the calendar on our website or RHS Face Book for more information

Website:

www.rowlandhass.schools.nsw.edu.au

Staff are currently assessing students and writing their reports.

In Term 3 a proactive approach towards improved attendance will be a priority. Parents and carers have the responsibility to ensure that their child is attending school on time. Absences for legitimate reasons must be explained within 7 days.

While the term is almost over there are still a few exciting things happening including the Crazy Hair day, Go-Karting and the end of term camp to Wollongong.

Enjoy the holidays and I look forward to seeing you all next term.

Regards,
Greg Fuchs

Principal Rowland Hassall School

Attendance

Attendance registers are taken daily and recorded. **Please contact the school if your child is away due to illness or for any other reason.**

Attendance registers are also regularly checked by our Home School Liaison Officer.

COMETS

Together we are shooting for success
Together we are shooting for success

I am really enjoying working on Warriors this term. Its hard work and we get a lot done around the school. We have laid pavers in the car park and they look great.

By Britney

I have been working hard on my addition this term and I am proud of the progress I have made.

By Billal

This week we celebrated Crazy Hair Day to raise money for **Cystic Fibrosis**. We all had a lot of fun doing some great activities. My favourite was guessing which teacher used to own this hair? And, making fruit people. Hopefully we raised a lot of money for this great cause.

By Yasmin

We have had a great term 2 and look forward to more exciting learning next term. Happy Holidays and stay safe.

Ms Barhoum and Comets

ON
vacation

Miss M: This has been a fantastic term with these incredible students. Academically all students have worked hard and have produced some amazing work.. During guided reading students have been learning about a variety of books. This week students have been learning about the Rainbow Fish and have created their own water colour painted fish with silver, shimmering scales. Everyone did a fantastic job. Have a safe and happy holiday and I look forward to seeing everyone next term.

Charbel: I have enjoyed going to the arcades during Real Kids. This week we also got to do some art on the book we have been reading in class called the Rainbow Fish.

Mario: I have really enjoyed doing artwork on the books we have been reading in class such as: The Rainbow Fish, The Day the Crayons quit, The Gruffalo and Room on a Broom. I have also enjoyed going to the aquarium on Real Kids.

Curtis: I have enjoyed going on the bumper cars during Real Kids. I have really enjoyed doing the split and jump strategy in mathematics. It has been really challenging but I have learnt so much this term. I have also really loved making a Rainbow Fish based on the book we have been reading in class.

Naqi: I have really enjoyed making a rainbow with my Friends of 10 in mathematics. I have also enjoyed going to the gym and working out. I tried really hard to go fast on the bike and stepper when I was working out.

Richard: I have really enjoyed mathematics this term. I have learnt how to do addition using the split and jump strategy. I have also loved being apart of Real Kids- one of my favourite activities was going to the aquarium. We got to see loads of cool sea creatures.

COBRAS

The second half of this term the Cobras enjoyed learning about how to use money in the real world and how to create exciting sentences in our writing. We welcomed a new student to our class and we are very happy to have a fresh, friendly face as part of our group. We also worked together to learn about palm oil and the horrible affect it is having on the orangutans' habitat and partook in some activities to focus on how we manage our emotions at school and at home.

Amir:

My favourite part of this term has been reading Harry Potter during literacy. I also liked learning about History and Vikings.

Byron:

I had fun at the Rock Climbing reward last Friday. I enjoyed doing the tic tac and Coca Cola experiment to see how soft drink affects our teeth.

Kraig:

I enjoyed my time in class with my teacher and classmates. Real Kids went to Westmead Hospital and bowling.

Ryan:

I really enjoyed cooking burgers on Tuesday afternoons and doing sanding work in Woodwork. We had to wear masks and goggles.

DUKE 2.0

This Term Duke 2.0 welcomed Hussein to our class and we have been working very hard towards achieving our individual goals. There has been collaboration in literacy and numeracy with Michael and Hussein, which has been lovely to see. Daniel has begun doing work experience at Fitness First Hornsby! Moustafa and Salah has levelled up in their Fitzroy reading and Multilit. The boys also created a short clip on a persuasive writing topic of 'Why School Uniform should be Optional' and had a ball doing that. The boys have had a great term and have made a number of rewards excursion including going to the cinemas, Monkey Maniac and Putt Putt.

In Duke we have been working on PBIS and playing a lot of memories games to help us achieve better results in maths. In Warriors we also worked on the footpath, gardening and weeding. In literacy we learned to identify simple, compound and complex sentences. In rewards we went to Monkey Mania and we did rock climbing.

By Hussein & Michael

I have been reading Fitzroy, doing Multilit and sight words with Mrs Nippy and Mr Vince. I have been working hard with my speech pathologist, Rania and I have also been doing addition in maths. I am looking forward to Wollongong Camp.

By: Moustafa

THE MUPPETS

In the second half of term Class 6 have been doing some great work, both inside and outside the classroom. We made burgers for the whole school to give the students and staff a free lunch which was really appreciated by everyone. Class 6 received School Community Awards from the Principal for doing this. The last few weeks most of Class 6 have made level 1 and have been on some great excursions. We have been to the movies to watch Aladdin and to indoor rock climbing, Miss Blackmore and Mr Barhoum are very proud of the students continually achieving level 1.

I like level ones because you get good rewards. Last week we went to rock climbing and the week before that we went to the arcade. I hope I make level one next week so I can go to go karts and beat all the teachers, and then go to our end of Term 2 camp in Wollongong to see the Dragons vs Warriors.

John :)

I am liking cooking because I am learning cooking skills for the future. I enjoyed the Monkey Mania trip last week because it was really fun. I am learning to tell the time in Maths which is good.

Tyrone.

I enjoy woodwork we made a mug holder which I took home. I have started the Distance Education program which is really good I am learning lots of new stuff.

Eiman :)

We have cooked burgers which was good because it was fun. I went rock climbing for rewards, it was good fun it made me happy to climb the highest blocks and I jumped off. I also went to watch Aladdin because I got level 1.

Yehya.

For Crazy Hair Day I made a fruit and vegetable man and I also made a grass head pot plant. I have been learning how to tell the time in Maths which is good. I have been writing a lot of stories, I really enjoy creative writing and I hope one day to be an author.

Dakota.

Captain's Report

By DANIEL KETHEL

This term teachers and students participated in crazy hair day. An event to raise money for people who suffer of Cystic Fibrosis. We did events like colouring in and decorating hair or other styles. Real kids have been going off site to different events such as visiting the hospital, Archery, aquarium and the zoo. Warriors have been working hard on the foot path in the car park.

For rewards students and teachers have attended to Monkey mania, the cinemas, rock climbing, and arcades.

Next week students who are on level ones will be attending Go carts on Wednesday. And to the Wollongong camp on Thursday and come back on Friday. I hope every body will have a good weekend.
